ORDER EXTENDING TIME

Upon initial review of Appellant Ricardo A. Murillo's Application for Review and Application for Stay (the "Applications") both filed on September 15, 2026, and the Authority's responses filed on September 22, 2026, I find it efficient to address both filings in a single Order.

It is hereby **ORDERED** that the time: (1) to issue an Order regarding the Applications is **EXTENDED** to and including October 16, 2026; and (2) for the parties to file their opening set of papers on this review is also **EXTENDED** to a date that will be provided in the forthcoming Order.

Good cause exists for this extension in light of the issues raised. *See* FTC Rule 1.146(c).
