FEDERAL TRADE COMMISSION
MATTER NO.
IN THE MATTER OF:
JOSE CORRALES, APPELLANT

Docket 9455

MOTION TO EXTEND TIME

Now comes Jose Corrales, Appellant, by his undersigned counsel, Richard J. Hackerman, and moves the Honorable Dania L. Ayoubi for an extension of time to file proposed findings of fact, conclusions of law, and a supporting brief until November 11, 2023, and for reason says:

1. By Order dated October 23, 2026 the Honorable Dania L. Ayoubi, directed the parties to file proposed findings of fact, conclusions of law, and a supporting brief on or before November 6, 2026.

2. The undersigned counsel for the Appellant has had a number of appearances and pre-existing commitments since the October 23, 2026 order was entered which has slowed the completion of the necessary filing. A similar lengthy filing is due in a state court matter also on November 6, 2026. The undersigned was hopeful that the filing could be timely made but at this point that appears unlikely.

3. Counsel is seeking an extension through November 11, 2026.

4. Counsel conferred with Geneva Gnam, Esquire, counsel for the Respondent seeking a consent to this request. Ms. Gnam indicated that she was unable to consent as the Respondent has completed the substantive portions of their filings.

5. This request is not being made to delay these proceedings. It is submitted that a short extension will not prejudice any of the parties.

PUBLIC

Wherefore, it is requested:

A. That the time for the Appellant or both parties to file their proposed findings of fact, conclusions of law, and a supporting brief be extended through November 11, 2026.
